The Conference this year will be introducing breakout sessions on the Saturday afternoon to provide greater choices for participants. Six topics have been selected and those suggested by participants in Darwin last year have assisted that selection.

Flexibility and your Club

Explores the various ways clubs can incorporate flexibility – in their operations, structures, and membership (incorporating new membership models).

Engaging Young Professionals

Examines strategies to engage younger professionals, including Rotaractors, in your club.

Spotlight on service

Showcases examples of high impact service projects occurring throughout the zone.

Designing and delivering great service projects

Shares tips and hints about designing & delivering great service projects – grant writing, conducting community assessments, ensuring sustainability, and evaluation.

Telling Rotary's story

Identifies best practices for preparing and sharing Rotary's story through words and images, digital and social media platforms, for communications and developing your 'People of Action' campaign.

Leading change in Rotary

Includes tips and hints to support Rotary leaders to successfully implement change within their clubs and districts.

Council on Legislation – Draft Enactments

Clubs and Districts in Zone 7B and 8 have proposed enactments for consideration at the 2019 Council on Legislation – find out more about these proposals and have your say as how you think your Representative should vote on these proposals.
